### MEET THE EXPERT -SESSION

**Time:** 11 June 2019, 11.15–12.15  
**Location:** Aino Lounge, Finlandia Hall, 1<sup>st</sup> Floor

**Unique possibility to interact with the Prof. Mølgaard, to ask and learn about his specialized topic!**

Meet the Expert Session provides NBCC participants with the opportunity to be updated about the topic of transthyretin amyloid cardiomyopathy in a highly interactive manner. Session will consist of lecture about Danish familial ATTR-CM mutation (Leu111Met) and informal discussions. Hot beverages and pastries will be available.

**WELCOME!**

For medical doctors only.
